

三合一防尘网

three in one dustproofmesh

三合一防尘网设计理念以物美价廉，满足用户简单实用为主。精密冲压模具成型完成，美观、大方、具有一定防尘功效。

The three-in-one air filter design concept is based on high quality and low price to meet the user's simple and practical. Precision stamping die molding is completed, beautiful, generous, with a certain dust-proof effect.
